

Northern Technical University

Medical Technical Institute / Mosul

Application & Admission Schedule - Estimated Dates

Morning Central Admission (Governmental)

September (9) – October (10)

Responsible Body: Ministry of Higher Education & Scientific Research (Electronic Portal).

Launches electronically after the announcement of the second-round high school (preparatory school) results.

The available application period lasts from two to three weeks.

Evening Studies Admission

Late September (9) – November (11)

Responsible Body: Registration Division at the Medical Technical Institute / Mosul.

Done via the designated electronic link or by visiting the Registration Division directly.

Requires purchasing the official application form and paying the administrative fees.

Parallel Admission (Private Public System)

October (10) – November (11)

**Responsible
Body:**

Directorate of Studies, Planning, and Follow-up
(Ministerial Portal).

Officially launches after the announcement of the Morning Central Admission results.

Targets students wishing to apply with specific grade differences below the minimum requirements.

Important Notice

The dates listed above are estimated schedules that depend on the Ministry of Higher Education's academic calendar. Please follow daily official updates via the announcements of Northern Technical University channels. 🚀
