Admission Clarifications & Notes

- Emergency Medical Technology Department:** Applicants are subject to physical fitness and health safety standards in addition to their preparatory school (6th Grade) GPA/average.
- Evening Studies:** Minimum admission thresholds are typically lower by (5) to (8) degrees compared to morning admissions.

- **Private Public Education (Parallel System):** Allows applications with an average lower by up to 3 to 4 degrees from the morning admission requirement for the respective department.
- **Notice:** The averages above are estimated and change annually by decision of the Ministry of Higher Education and Scientific Research based on admission plans and success rates.
